

# AMERITI MANUFACTURING COMPANY SAFETY RULES

Welcome to AmeriT*i* Manufacturing! We are a SAFETY FIRST company committed to your safety and well-being while a guest here. To ensure your safety, we ask that you honor and abide by the following safety protocols:

Please SIGN IN and OUT at the Front Desk.

**NO TOBACCO PRODUCTS** *anywhere* on company property.

**NO FOOD OR DRINK on the plant floor.** Food, drink may be consumed in any break area.

## **WHILE ON THE PLANT FLOOR, YOU MUST WEAR:**

Safety Glasses

Hard Hat

Long-sleeved Shirt

Hearing Protection  
(as needed)

Safety-Toed  
Shoes

Long Pants

You may use your Cellular telephones, but these protocols must be adhered to:

Step into a break room, rest room, office, lab **FIRST**.

If outside, either step outside of the gate or back up against a building.

If trouble-shooting a piece of equipment, **STAY AT THE PROCESS!**

**NO PICTURES OR VIDEO** without prior authorization from AMC management.

## **DO NOT WALK AND TALK ON THE PHONE!**

**DO NOT** operate any AMC-owned mobile or power equipment without prior authorization from a member of AMC management. You must be licensed.

**DO NOT WALK THROUGH OVERHEAD DOORS** unless you are otherwise authorized to do so. Please use the pedestrian doors provided.

Any other equipment used, whether rented or owned by the visitor, must be in serviceable condition and safe before it is allowed to be used on site.

If building or plant evacuation is necessary, please go out the nearest gate and stand at one of our designated Evacuation Assembly Areas so you can be accounted for. Red signs are installed along our fences on both sides of Filer to facilitate this.

Rev 3. Approved by KB

If you have any questions regarding these or any other protocols during your visit to AMC, feel free to ask any member of management.
